Pre-wedding shoot: The pre-wedding shoot gives you an idea of what you want and the photographer an idea of how to shoot your specific wedding. Prints can be ordered through the online album.

Online Album: Paypal must be used to order prints from the password protected online album.

Wedding albums: You may provide comments to be included in the album. Created using Blurb.com.

Top 5 prints: You select which photos for 8x10, 11x14, and 16x20 prints.

If these prices are outside your budget and you would still like to use my services, please contact me for a tailored package.
